[Intro: Tupac]

Maybe it's the thug in me  
Maybe it's the thug in me  
Maybe it's the thug in me  
Maybe it's the thug in me  
Maybe it's the thug in me

[Verse 1: 2Pac]

Ever since I was a young scrub  
I was a thug on the corner with my niggaz slingin  
drugs  
I'm runnin from the narcs when they pass by don't ask  
why  
I'm a hustler till my ass die  
Even if I do come up I be ready when they run up, huh  
I'll be a nut to put my gun up, huh  
I never trust these hoes at all, fucking with them tramp  
ass sluts who Suppose to fall  
Since she played you for you money but the shit was  
cool  
Guess it's true niggaz be bitches too  
You can't see how she worked you, all up in her skirt  
Now you looking like a jerk, cause she hurt you  
Now heads up don't be a playa hater  
Just peep game keep your mind on your money watch  
the bitch change  
See hoes love thugs, and thugs love loot  
Hand it over motherfucker before I shoot  
Who do u love

[Chorus (x2): 2Pac]

Maybe it's the thug in me  
Maybe it's the thug in me  
Tell me, Who do you love?

Maybe it's the thug in me  
Maybe it's the thug in me  
Who do you love?

[Verse 2: 2Pac]

Im livin that  
Thug life baby, steady smoking endo going crazy

Baby come and hug me when you rub me, turn the  
lights down  
We in the dark do you love me  
Everyboy is talking bout they know me  
But they aint down like my motherfucking homies  
Tell me what you need when you see me  
And we can get it on biatch take it easy  
Don't try to hold me, control me  
But you can take my number, baby call me when you  
lonely  
Cause it's a mans world, aint no need to ask why  
I'm high till I die, and strapped with my 4-5  
Cause you can loose it in the gutter  
I wonder if I die by the hands of another broke  
motherfucker  
They call me the alcoholer I'm all in, thug 4 life nigga  
ballin  
I'm gettin tired of these hoes tryna play me  
You can't fade me, me and my niggaz going crazy  
All day long Im straight thuggin, and contantly mean  
muggin  
Breakin the bitches that be buggin, tell me who do you  
love

[Chorus (x2): 2Pac]  
Maybe it's the thug in me  
Maybe it's the thug in me  
Tell me, Who do you love?

Maybe it's the thug in me  
Maybe it's the thug in me  
Who do you love?
