Verse 1 :

I went from, nothin to somethin now they all wanna see
me fall

And the player haters hate to see a thug nigga ball

And they say we hate the East coast, but that's funny

Got a lot of love for, any niggaz gettin money

I made a song about my enemies and niggaz tripped

It was hip-hop until Tupac fucked Biggie bitch

Y'all niggaz hypocrites and bitch made

Now either love me or hate me but real thug niggaz get
paid

Have me catchin cases all across the nation

I went to jail to bail to barely on probation

They got a player facin three strikes, and we might

just blast God bless the child that can get cash

But all these niggaz turnin and never learn

Got a long line of niggaz player hatin me but gettin
burned

Talk a lot of shit but youse a trick in drag

Like the Mack make you fall back and stick yo' ass for
back pay

Chorus : - (2Pac)

Why you want to turn on me

I never thought you were back stabb me

(Why you turning on me? Why me?)

When you niggaz see me, you flee (why me?)

Cause i'm a T-H-nigga-U-G

(Why me?)

Why you want to turn on me

I never thought you were back stabb me

When you niggaz see me, you flee (Yeah nigga)

Cause i'm a T-H-nigga-U-G

Verse 2 :

It, started so innocent, but ended in the fifth precinct

Approach the juvenile delinquent, we still decent
Playin catch and kiss, used to diss the herbs
Fuck school we was skippin drink a fifth on the curb
Me and you, no closer two, while drinkin brew
What you need nigga? Anything at all come to me
nigga

You can wear my clothes and my gold for the hoes
Gave you the keys to the jeep, offered my home as an
open door

But then you picked a new direction, in the blink of an
eye

My time away just made perfection, did you think I'd
die?

I never got a single visit yet I carry on
All my old friends too busy now my money gone
Said I got raped in jail, picture that? {*laughter*}
Revenge is a payback bitch, get your gat
Fuck {Wendy Williams} and I hope you choke
on the next dick down your throat, for turnin on me

Chorus : - (2Pac)

Why you want to turn on me

I never thought you were back stabb me

(Why you turning on me?)

When you niggaz see me, you flee (why me?)

Cause i'm a T-H-nigga-U-G

(Why me?)

Why you want to turn on me

I never thought you were back stabb me

When you niggaz see me, you flee

Cause i'm a T-H-nigga-U-G

Outro:

I put Jenny Craig on your fat ass, you fat troll
Anybody ever seen {Wendy Williams} fat ass?

Why you always wearin Spandex you fat bitch?

I know your pussy stinks, you fat hoe

I'm puttin Jenny Craig on you bitch

I'm about to put a twenty-thousand dollar, hit
through Jenny Craig to come find yo' ass
and put you in a fat farm, you fat bitch!

Thug Life, Outlaw, Westside bitch

It's Tupac so you know who said it

And for everybody who didn't like what I said about that
other trick

and Mobb Deep, fuck you too nigga!

If a nigga didn't want to get talked about

he shouldn'ta stepped in the fuckin ring

If Tyson don't want to get knocked out

he don't step in the fuckin ring, that's how the shit go

When Tyson get in the ring, he knock motherfuckers
out!

Well that's what Tupac gon' do

When niggaz come against me, I'ma knock they punk
ass out!
One way or the motherfuckin other
This old motherfuckin nigga in the South told me nigga
It's more than one way to skin a cat
It's more than one way to shoot a gat
It's more than one way to die nigga
When I'm through, everybody cry nigga
This is how we do it
Outro Chorus : - (2Pac)
Why you want to turn on me
I never thought you were back stabb me
(Why you turning on me?)
When you niggaz see me, you flee (why me?)
Cause i'm a T-H-nigga-U-G
Why you want to turn on me
I never thought you were back stabb me
When you niggaz see me, you flee
