You wonda why they call u bitch
You wonda why they call u bitch
You wonda why they call u bitch
You wonda why they call u bitch
You wonda why they call u bitch
You wonda why they call u bitch

Look here Miss Thang hate to salt your game
But yous a money hungry woman and you need to
change
In the locker room all the homies do is laugh
High five's 'cause another nigga played your ass

It was said you were sleezy, even easy
Sleepin' around for what you need
See it's your thang and you can shake it how you wanna
Give it up free or make your money on the corner

But don't be bad and play the game get mad and
change
Then you wonda why these muthafuckas call you
names
Still lookin' for a way out and that's okay
I can see you wanna stray there's a way out

Keep your mind on your money, enroll in school
And as the years pass by, you can show them fools
But you ain't tryin' to hear me 'cause you're stuck
You're headin' for the bathroom 'bout to get tossed up

Still lookin' for a rich man you dug a ditch
Got your legs up tryin' to get rich
I love you like a sista but you need to switch
And that's why they called you bitch, I betcha

You wonda why they call u bitch
You wonda why they call u bitch
You wonda why they call u bitch
You wonda why they call u bitch

You wonda why they call u bitch
You wonda why they call u bitch

You wonda why they call u bitch
You wonda why they call u bitch

You leave your kids with your mama
'Cause you're headin' for the club
In a skin tight miniskirt lookin' for some love

Got them legs wide open while you're sittin' at the bar
Talkin' to some nigga 'bout his car
I guess he said he had a Lexus, what's next?
You headin' to his car for some sex

I pass by can't hold back tears inside
'Cause, Lord knows for years I tried
And all the other people on my block hate your guts
Then you wonda why they stare and call you slut

It's like your mind, don't understand
You don't have to kill your dreams plottin' schemes on
a man
Keep your head up, legs closed, eyes open
Either a nigga wear a rubber or he die smokin'

I'm hearin' rumors so you need to switch
And niggas wouldn't call you bitch, I betcha

You wonda why they call u bitch
You wonda why they call u bitch
You wonda why they call u bitch
You wonda why they call u bitch

You wonda why they call u bitch
You wonda why they call u bitch
You wonda why they call u bitch
You wonda why they call u bitch

I guess times gettin' hard even harder for you
'Cause, hey now, got a baby on the way now
More money from the county and thanks to the welfare
You're about to get your hair done

You got a dinner date, can't be late
Trick or treat, sweet thang got anotha trick to meet.
The way he did it it was smooth
Plottin' while he gamin' you so baby, peep tha rules

I shoulda seen it in the first case, the worst case
I shoulda never called you back in the first place
I remember back in high school baby you was fast
Straight sex and barely move your ass

But now things change 'cause you don't look the same
Let the ghetto get the best of you baby, that's a shame
Caught HIV and now you 'bout to be deceased
And finally be in peace

So where your niggas at now 'cause everybody left
They stepped and left you on your own
See I loved you like a sista but you died to quick
And that's why we called you bitch, I betcha

You wonda why they call u bitch
You wonda why they call u bitch
You wonda why they call u bitch
You wonda why they call u bitch

You wonda why they call u bitch
You wonda why they call u bitch
You wonda why they call u bitch
You wonda why they call u bitch

Dear Ms. Deloris Tucker, keep stressin' me
Fuckin' with a muthafucken mind
I figured you wanted to know, you know
Why we call them hos, bitches?
And maybe this might help you understand
It ain't personal, strictly business baby, strictly business

So if you wonder why we call u bitch
You wonder why we call u bitch
If you wonder why we call u bitch
You wonder why we call u bitch
