[Verse One]

What, what? Uhh, put them hands up  
Rich niggaz throw the grands up, and what?

It's my time motherfucker try to stop it gon' see nine  
nines  
(??) that's all I see when I open up  
Baby girl, fuckin you now before I blow up  
You know what? I seen your kind before, high saditty  
but really like it raw in the closet  
Like the rider type of whore, by the shore, (?) trick on  
her  
But I'm collectin these vicks when I put the dick on her  
O.U.T., L.A.W.Z.  
You fuckin with a nigga livin destructively, pump and  
pee  
Tuckin T's up in (?) when I jump on  
I'm tryin to handle my business full grown  
This shit is on, it's gettin crazy after dark  
Where the real thug niggaz here you are  
We world wide mob figgaz

[Chorus: repeat 2X]

We got homies on the front line livin it up  
We got ladies in the back straight givin it up  
It ain't nothin but a thug thang  
World wide mob figga let me see a nigga nuts hang

World wide mob figga let me see a nigga nuts hang..  
World wide mob figga let me see a nigga nuts hang..

[Verse Two]

Nigga duck down buck first, make 'em feel somethin  
Shouldn't (?) if you ain't kill nuttin  
Now you gotta face the (??) heavily armed  
Outlawz did that, heavily gone

(?) with the left of us, best of us  
Plus we wake up with our tec on us  
We test yo' nuts in a heartbeat, sleep on the street  
Obey the rules of the ones who want yo' beef I'll eat  
Y'all niggaz weak, in a motherfuckin way it's so pitiful  
I'll leave you motherfuckers critical  
We heard the slick shit you said on fuckin Too \$hort  
tape  
But you only stepped your way into an early wake, early  
grave  
That's what you brave niggaz get for fuckin with this  
You had your chance to mob first you didn't you  
missed  
Just switched to fake Napoleon be the motherfuckin last  
nigga with the gat to break  
The last of fate, earthquake aftershock, is what you got  
Fuckin with niggaz that give a damn about hip-hop  
This how it go in our family  
Cause this Outlaw shit is what we stand for gradually  
We world wide mob figgaz

[Chorus]

[2Pac over Chorus]  
World wide motherfuckin mob figgaz  
Weed smokin, gun-totin, drinkin  
Ridin on our motherfuckin enemies  
Y'all know how we do it

[Verse Three]

I be the Young N-O, to the B-L-E  
Last name O-U-T-L-A-W-Z  
M-A-R was the for starters, flee the whole cartridge  
Your lady blew out the squad and the whole sausage  
(??), hittin donuts in a 6  
Sip Coronas when we bendin the corner, brothers hit  
Urban legend, dirty third still reppin  
Still double-S to bumrush your session  
I get it dirty and burn ya just a nigga in a skirt  
Drinkin Squirt, punk duck, hit the dirt  
Sprint to the church that you got comin  
Outlawz on the ride picture God runnin  
Ain't nuttin but a thug thang, bust your brains  
Pac passed the rock so we tucked the game  
Under our belt, we huntin the wealth, you fuckin  
yourself off  
Don't you know not to go against the Outlawz

[Chorus]

World wide mob figga let me see a nigga nuts hang..

World wide mob figga let me see a nigga nuts hang..

[Verse Four: 2Pac]

Hey watch out man, look out  
Known for doin scandalous deeds, no handlin me  
Hypnotic to drugs it's the straight thug nigga in me  
I swoop down and cause havoc  
My rapid delivery, is automatic lettin niggaz have it  
I've been labelled as a thug nigga  
Since they don't sell my shit to white folks  
ship it to the drug dealers  
And catch a catch a nigga world wide  
A fuckin mob figga West coast, who-ride  
When we rob niggaz money make my squad bigger  
But we ain't sell our souls  
Bustin on my enemies, murder my foes  
At my shows I'm a nut, lights camera time for action  
Now get to clappin to my cuts, a world wide mob figga

[Chorus]
