Uhh, world wide mob figgaz  
World wide mob figga  
(O U T L A W Z)  
World wide mob figgaz  
(For real, for real)  
World wide mob figgaz

Check game little young punks  
World wide mob figgaz

What? Uh, uh  
Put your hands up, rich niggaz throw the grands up  
And what?  
I got a plot to get what's mine in the nine-nine  
It's my time, motherfucker, try to stop me busting nine-  
nines

Wild ridahs, all I see when I open up  
Baby girl fucking you now, before I blow up  
You know what?  
I seen your kind before, high saditty but really like it  
raw  
In the closet like a ridah type of whore by the shore

Not sure of who to trick on  
But I'm collectin' these Vics when I put the  
dick on her  
O U T L A W Z  
Fucking with a nigga living destructively  
Pump and pee Tuckin T's up in [unverified]

When I jump on I'm trying to handle my business, full  
grown  
Just soft niggaz, it's getting crazy after dark  
Where the real thug niggaz see ya are?  
We world wide mob figgaz

We got niggaz on the front line living it up  
We got ladies in the back street giving it up  
Ain't nothing but a thug thang  
(Thug thang)  
World wide mob figga, let me see a niggaz nuts hang

(Nutz hang)

We got homies on the front line living it up  
We got ladies in the back street giving it up  
Ain't nothing but a thug thang

(Thug thang)

World wide mob figga, let me see a niggaz nuts hang  
(Nutz hang, nutz hang)

World wide mob figga, let me see a niggaz nuts hang  
(Nutz hang, nutz hang)

World wide mob figga, let me see a niggaz nuts hang

Nigga, duck down, buck first, make 'em feel somethin  
Shouldn't [unverified] if you ain't kill nuttin' if you  
You didn't kill me now you gotta face a young man  
Got chrome heavily armed, Outlawz did that, heavily  
gone

So we ride with what's left us, the best of us  
Plus we wake up with our Tech on us  
We test yo' nuts in a heartbeat, sleep on the street  
Obey the rules of the ones, who want beef? We'll eat

Y'all niggaz weak in a motherfuckin' way it's  
so pitiful  
I'll leave you motherfuckers critical  
We heard the slick shit you said on fucking Too \$hort  
tape  
But you only stepped your way into an early wake, early  
grave

That's what you brave niggaz get for fucking with this  
You had your chance to mob first, you didn't, you  
missed  
Just switched to fake  
Napoleon be the motherfucker last nigga with the gat  
to break

The last of fate, earthquake aftershock is what you got  
Fuckin with niggaz that give a damn about hip hop  
This how it go in our family  
Busting Outlawz shit is what we stand for gradually  
We world wide mob figgaz

World wide motherfucking mob figgaz  
Weed smoking, gun toting, drinking  
Riding on our motherfucking enemies  
Y'all know how we do it  
A world wide mob figure

I be the Young N O to the B L E  
Last name O U T L A W Z  
M A R was for starters, flee the whole cartridge  
Your lady blew out the squad and the whole sausage

[Unverified] hitting donuts in a six  
Sip Coronas when we bendin' the corner,  
brothers hit  
Urban legend, dirty third still reppin'  
Still double S to bum rush your session

I get as dirty as birt, you just a nigga in a skirt  
Drinkin' Squirt, punk duck, hit the dirt  
Sprint to the church that you got comin'  
Outlawz on the ride, picture God runnin'

Ain't nuttin' but a thug thang, bust your brains  
Pac passed the rock so we tucked the game  
Under our belt, we huntin' the wealth, you  
fuckin' yourself off  
Don't you know not to go against the Outlawz

World wide mob figga, let me see a nigga nuts hang  
World wide mob figga, let me see a nigga nuts hang

Hey watch out man, look out  
Known for doin' scandalous deeds, no  
handlin' me  
Hypnotic to drugs, it's the straight thug nigga in me  
I swoop down and cause havoc

My rapid delivery, is automatic lettin' niggaz  
have it  
I've been labeled as a thug nigga  
Since they don't sell my shit to white folks  
Ship it to the drug dealers

And catch a catch a nigga world wide  
A fuckin' mob figga, West Coast, who ride?  
When we rob niggaz money make my squad bigger  
But we ain't sell our souls, bustin' on my  
enemies, murder my foes  
At my shows I'm a nut, lights, camera, time for action  
Now get to clappin' to my cuts, a world wide  
mob figga

World wide mob figga, let me see a nigga nuts hang  
World wide mob figga, let me see a nigga nuts hang

Hey yo, get that motherfucker right there  
Hey yo, K, pull out, man, that motherfucker and blast

Yo Mo, get over there, get over there  
Hey yo Malc, get bustin' 'em, 'em them mother fuckers  
Hey bust on them, bust on that nigga

Hey yo Yak, c'mon, Fatal, let 'em get the fuck  
outta here  
Fuck them niggaz, West Coast nigga, West Coast  
World wide mother fucking mob figgaz nigga  
We thug life, nigga know what time it is

Get the fuck out of here  
Any day, any day nigga, come on  
Hey come the fuck on  
We out nigga, Westside, Outlaw ridahs, biatch
