Working so hard and sometimes waiting for you to  
make me understand  
Been dodging bullets and I've been saving trains, with  
the palm of my hand

I've hung my head down thinking, all day long  
I've even taken down the sacred tree, just to hear your  
song

"If you are ready to go  
Then you already know  
That it'll all be fine"

"If you arrive some day  
I'm sure you'll hear me say  
That it'll all be fine"

It'll all be fine,  
It'll all be groovy, won't it, babe?

Been commanding armies for you, like a big bad man  
Been signing treaties, erecting buildings, NGO's, at  
your command

As you can see, I can still bleed, but it's all for you

I'm gonna die someday, I'll never hear you say  
The lyrics to your tune

If you are ready to go  
Then you already know  
That it'll all be fine

When you arrive some day  
I'm sure I'll hear you say  
That it'll all be fine

It'll all be fine,  
It'll all be fine,  
It'll All be fine

It'll all be fine  
It'll all be fine  
It will all, all, all
