Her spirit held my hand,  
Spoke to me in times of need.  
Her efflorescent beauty  
Got me thinking.

And then I saw her standing in the sunset.  
The sky changed colors in her eyes.

My seeing eye god!

Time holds true. Not a moment too soon,  
A scantily-clad guardian angel  
Glides into the room.  
Ruminations echoing from here and abroad,  
Heard only by my seeing eye god.

It's only her I see  
On the shores of a ghostly moonlit sea.

All the times when you have passed me by,  
Who would have thought that one day  
I would be your guide,

Your seeing eye god?
