You wanna feel that high
You wanna break that glass
You wanna push that gas
Grab that wheel yeah scroll that tight
You wanna feel that push
You wanna cross that side
You wanna hit that clutch
Touch that nerve yeah scrape that line

Ain't no looking back my baby
They only try to tame me
If they wanna fight well I'll
Be warning them but
I'm not the one to defend

You don't gotta lie
Just keep goin faster babe,
Faster babe, why?
Yeah
I'm on your side
Just keep goin faster babe,
Faster bye bye

Woah woah woah woah yeah

You wanna feel that rush
You wanna break that law
I like that floor
Pull that stick shift then take off
You wanna make them gasp
You gotta feel what's wrong
First your gun on the dash
Rearview glance both eyes to the pass

Ain't no looking back my baby
They only try to tame me
If they wanna fight well I'll
Be warning them but
I'm not the one to defend

You don't gotta lie
Just keep goin faster babe,

Faster babe, why?
Yeah
I'm on your side
Just keep goin faster babe,
Faster bye bye

Woah woah woah woah yeah

Put your tears away
Ain't no fear today
If you drive off toward that summertime sunset
Sweats, you ain't turned yet
Take the keys leave the regrets
Write your letters, place your bets
I'll be the one who accepts

You don't gotta lie
Just keep goin faster babe,
Faster babe, why?
Yeah
I'm on your side
Just keep goin faster babe,
Faster bye bye

Woah
Don't gotta lie
Faster babe,
Faster babe, why?
Yeah
I'm on your side
You just gotta
Speed a little faster when you drive
Woah
