(feat. Kid Ink)

You strip me down, you left me crawl  
Hot as a rock, inside my soul  
This smoky room, where loves a ghost  
I'm setting out in ashes baby  
Give me back my fire, fire, fire  
I want back my fire baby,  
Give me back my fire, fire, fire,  
I want back my fire baby  
Give me back my fire, fire, fire,  
I want back my fire baby.

Uh, can't say I didn't used to ignite you,  
Now all we do is spite but,  
Girl I still need that fire,  
looking like where the fuck is my life till now,  
I know you miss all the nights,  
Up late the night, you're so so shit like,  
SO high ain't think you fall into the height  
but ready to move now, is just so you can hike girl,  
I'm sorry the only way you notice  
getting right to the dough, soon as I hit the dough,  
I'm trying to give you the world,  
your friends to kill for, red bottom to floor,  
mack tripping and go,  
the way it look it ain't always what it seem,  
what I gotta do, see you don't wanna lay,  
it's too many girls that you're the one to me,  
what you're scared of, don't run away.

Chorus:

You strip me down, you left me crawl  
Hot as a rock, inside my soul  
This smoky room, where loves a ghost  
I'm setting out in ashes baby  
Give me back my fire, fire, fire  
I want back my fire baby,  
Give me back my fire, fire, fire,  
I want back my fire baby  
Give me back my fire, fire, fire,

I want back my fire baby.
