I'm not your boyfriend
You're not my girlfriend
But maybe we can be
Maybe we can be friends

I'm not your boyfriend
You're not my girlfriend
But maybe we can be friends

I'll be there for you in the bedroom,
Pick you up when you wanna get down
Give you what you need inside
If you need to stop, I'll pull it out
Work girl, you got it
Church girl, you cross fit
Bossy, you flossy
You gossip, you fussy
So, so, I wanna be rollin'
With no pills
We'll be up til the morning
She rip her shirt off
I call her Hogan
And when she play dumb
I call her Oakland

All around the world
All the boys and girls
All around the world
All around the world
All the boys and girls
Say it tonight

I'm not your boyfriend
You're not my girlfriend
But maybe we can be
Maybe we can be friends
I'm not your boyfriend
You're not my girlfriend
But maybe we can be friends

I'm not your boyfriend

You're not my girlfriend
I'm not your boyfriend
You're not my girlfriend

Uh, we back in the bathroom stall,
Hands all down my back
Feel like junior year
Cause I used to be soph
She looks so guilty
She ain't used to getting off
I used to be sober, now I'm cruisin'
Two freaks in yoga, hands
I'm movin', you keep it up now
I love you, if you keep it up now
I can touch you if you like it rough, now
Doesn't matter if you were a ten or a touchdown

All around the world
All the boys and girls
All around the world
All around the world
All the boys and girls
Say it tonight

I'm not your boyfriend
You're not my girlfriend
But maybe we can be
Maybe we can be friends
I'm not your boyfriend
You're not my girlfriend
But maybe we can be friends

One day we might end up fallin' in love
But for tonight we're too young
Someday I might end up breakin' your heart
But for tonight break it off

All around the world
All around the world

All around the world
All the boys and girls
All around the world
All around the world
All the boys and girls
Say it tonight

I'm not your boyfriend
You're not my girlfriend
But maybe we can be
Maybe we can be friends

I'm not your boyfriend
You're not my girlfriend
But maybe we can be friends

I'm not your boyfriend
You're not my girlfriend
