"Blood Brother"

Lost inside emotion, searching for myself
came across a memory of me as someone else

Didn't recognize me, Didn't know what to do
in another lifetime I could have been you

Blood Brother, look into the rising sun
Blood Brother, two lives become as one

Distant generations I smoke to peace with you
regression to a past time and place we both knew

Didn't recognize me, Didn't know what to do
in another lifetime I could have been you

Blood Brother, look into the rising sun
Blood Brother, two lives become as one

Blood Brother, look into the rising sun
Blood Brother, two lives become as one
