The troubles we make  
Our biggest mistakes  
Questions that we cannot escape

It won't be long until they are gone  
Just find a way to hold on

Cheer up  
We're almost alive  
Wipe the tear from your eye  
It's alright

Don't give up  
The end is in site  
There's more than this life  
We're almost alive

Don't spend your days  
Lost in a sway  
With questions that we cannot face

Don't run away, don't be afraid  
Lonely will someday go away

Cheer up  
We're almost alive  
Wipe the tear from your eye  
It's alright

Don't give up  
The end is in site  
There's more than this life  
We're almost alive

And all that we've been  
Will come to an end  
These lonely days will fade away

The feelings we hide  
Will all come to life  
And we will finally be alive

Cheer up  
We're almost alive  
Wipe the tear from your eye  
It's alright

Don't give up  
The end is in site  
There's more than this life  
We're almost alive
