All because of you
I live and breathe every day
I'm giving you the praise

All because of you
I see and feel every day
I'm giving you the fame

You make me sing, sing, sing
sing, sing, sing, SING

I am because you are
I live because you live
I love because you loved me first
I am because you are
I live because you live
I love because you loved me first

All because of you
I live and breathe every day
I'm giving you the praise

All because of you
I see and feel every day
I'm giving you the fame

You make me sing, sing, sing
sing, sing, sing, SING

I am because you are
I live because you live
I love because you loved me first
I am because you are
I live because you live
I love because you loved me first

I'm alive cause you're alive
I'm alive cause you're alive
I'm alive cause you're alive in me x3

You make me sing, sing, sing

sing, sing, sing,
sing, sing, sing, SING

I am because you are
I live because you live
I love because you loved me first
I am because you are
I live because you live
I love because you loved me first
