My freedom
My reason
My Saviour, that's what You are to me
You free me
Complete me
My Saviour, that's what You are to me

There's no other like You
There's no one beside You
You're more than my heart can contain

And I will love You all my life
You are my reason, the One that I live for
Yes I will love You all my life
You are my reason, the One that I live for

My freedom
My reason
My Saviour, that's what You are to me
You free me
Complete me
My Saviour, that's what You are to me

There's no other like You
There's no one beside You
You're more than my heart can contain

And I will love You all my life
You are my reason, the One that I live for
Yes I will love You all my life
You are my reason, the One that I live for

And I will love You all my life
You are my reason, the One that I live for
Yes I will love You all my life
You are my reason,
You're the One that I live for

And I will love You all my life
You are my reason, the One that I live for
Yes I will love You all my life

You are my reason,
You're the One that I live for

And I will love You all my life
You are my reason, the One that I live for
Yes I will love You all my life
You are my reason,
You're the One that I live for

And I will love You all my life
You are my reason, the One that I live for
Yes I will love You all my life
You are my reason,
You're the One that I live for

And I will love You all my life
You are my reason
I will love You all my life
'Cause You are my reason
You're the One that I live for
