[DIAMONDS:]

I was born a Unicorn
I missed the ark but I could've sworn
You'd wait for me

[GINGER:]

I was born a Unicorn
I could've sworn you believed in me.
Then how come all the other Unicorns are dead?

Were never gonna stop
I think I wanna stop
We want one us
I dont care i'll do push-ups
I write the songs
I WRITE the songs
You said I'm doing it wrong
YOU ARE doing it wrong

[DIAMONDS:]

Put your crystals under my pillow

[GINGER:]

Send your epistle to my bedfellows

It also says!

When dreaming beasts are dying down, on out
They're there, for if we agree they're there, they're
there, alive and shorn.

[DIAMONDS:]

If I stop believing in you

[GINGER:]

If you stop believing in me

[DIAMONDS:]

If I stop believing in you

[GINGER:]

If you stop believing in me

We're the Unicorns.

We're more than horses.

We're the Unicorns
And we're people too!
