All I see is apathy  
In this world, I won't be

Twist me with your motivation  
You make me sick  
Won't you feel my frustration?  
It's ten feet thick

All I see is apathy  
In this world I won't be  
All I see is apathy  
In this world I won't be

I will be, I will be  
I will be a better man  
I won't be, I won't be  
I won't be a bitter man

Twist me with your complication  
This time it stuck  
Curse me with your lips  
You wretched fuck

Out of me am I free  
In this world I won't be  
Out of me am I free  
In this world I won't be

I will be, I will be  
I will be a better man  
I won't be, I won't be  
I won't be a bitter man

I will be, I will be  
I will be a better man  
I won't be, I won't be  
I won't be a bitter man

I will be (I will be)  
I will be (I will be)  
I will be (I will be)

A better man (A better man)  
I won't be (I won't be)  
I won't be (I won't be)  
I won't be (I won't be)  
A bitter man (A bitter man)
