Hey I'm a selfish servant low
They lied a fear and loathing
A chosen one it's so undone
Load your gun the damage done

Never me they will fail to see
I will get so high that I trip with Jesus
Apathy and a bitter me I will fail to see
That he walks among us

So what save it for your own
Are you happy man I am?
Watch me fly I'm Superman

Never me they will fail to see
I will get so high that I trip with Jesus
Apathy and a bitter me I will fail to see
That he walks among us

It's such a bore when I'm bringing down that horse
Just let me bleed one more
Oh, just one more

It's such a bore when I'm bringing down that horse
Just let me bleed one more just one more

It's such a shame that it is this way
I'm a junkie God is gay
Hate to bleed but it heals my pain
Whatever man never, never, never, never

Never me they will fail to see
I will get so high that I trip with Jesus
Apathy and a bitter me I will fail to see
That he walks among us
