Penetrate, penetrate all the simple minds
They adore; what a bore how they stand in line
Dilate; dilate what's my drug of choice?
It's okay when they barely say I got the voice
Look at this the motherfucker is a millionaire
Realize it's a mask that you wear
Violate, violate such a simple plan
Turn me on, turn me on Mr. Deadman

Yeah I want it
I need it
To make a million
Yeah I love it
A fucking rock star
Yeah I want it
I need it
To make a million
Yeah I love it
A fucking rock star

Penetrate, penetrate all the simple minds
They adore; what a bore how they stand in line
Dilate; dilate what's my drug of choice?
It's okay when they barely say I got the voice
Look at this the little maggot is a millionaire
Realize it's a mask that you wear
Violate, violate such a simple plan
Turn me on turn me on Mr. Deadman

Yeah I want it
I need it
To make a million
Yeah I love it
A fucking rock star
Yeah I want it
I need it
To make a million
Yeah I love it
A fucking rock star
