"This cannot be my way
Something just doesn't feel the same
There is no reason to follow my inhibitions now
I can't wait to find out if i'm right
No judgement, no logic, no reason to continue
Still I try and I try and I try
And I try

i try so hard to see
What lies in store for me

If I'm wrong who is right?
If I'm right, who relates?
Now can't go on I don't care
I feel sick
I can't wait all my life just to fail one more time
How much longer can I keep it in

What can I say now
After I've lost it all what's to feel?
What can I say now that it's gone away
Shed away...shed away...shed away

It's all up to me"
