I wanna breathe you  
I wanna hold you  
I wanna make you, make you mine

Baby please  
I'm on my knees  
Take me,  
To the promised land

I wanna touch you  
I wanna feel you  
I wanna love you,  
Where are you now?

I wanna breathe you  
I wanna hold you  
I wanna make you, make you mine

Where is the place where  
I see the light in  
We'll make it right there  
You are mine

Where is the place where  
I see the light in  
We'll make it right there  
You are mine, till the end of time

I wanna touch you  
I wanna feel you  
I wanna love you,  
Where are you now?

I wanna breathe you  
I wanna hold you  
I wanna make you, make you mine  
Till the end of time

Where is the place where  
I see the light in  
We'll make it right there

You are mine, till the end of time

Baby please  
I'm on my knees  
Take take me,  
To the promised land  
To the promised land

I wanna touch you  
I wanna feel you  
I wanna love you,  
Where are you now?

I wanna breathe you  
I wanna hold you  
I wanna make you, make you mine  
Till the end of time

To the promised land
