come to me, sally  
cantar para mi a little song  
inti of the incas  
on a loop  
da-dum da-dum-da-dum da-da  
ah sing to me, sally  
oh so little known to some  
but not to you

in the middle of night there's a luminous sun  
it's a little too bright for us to sleep and dream, dream  
mmm, its a little too bright  
when the luminous sun in the middle of night is shining  
down

sally when you wake up  
have all your horses in a row  
inti of the incas  
we have been listening  
for you

we've passed the time playing shuffle with the cards  
when you sing your song  
then we'll think about you  
da-dum um-da, come now sally, sing  
muy poco conocido a algunos  
pero no a ti pero no a ti y tan  
it's a little too bright when the luminous sun  
in the middle of night is shining down  
da-dum a-da-da-dum, di-dai da-dum da-dum  
da-dum a-da-da-dum, dum-dum da-dum da-dum  
di-dai da-dum da-dum, da-dum a-dum-dum-dum

(dreamy vocal break)

sing to her on the edge of sleep  
sally is now our chance to freedom  
(repeat and add)  
we will think of power as a win-win game  
sing to her on the edge of sleep

dum-dum da-dum-da-dum, di-dai da-dum da-dum  
da-dum a-da-da-dum, di-dai da-dum da-dum  
da-dum a-da-da-dum, dum-dum da-dum da-dum  
di-dai da-dum da-dum, da-dum a-da-da-dum  
(continues indistinctively)
