I tried my best but I was only being me
You say I'm blind, but baby some things I can see
You don't know what you got until you've lost it all

So just grab a seat and watch the casanova fall
Fall
Fall

Another night away from you
I don't know what to think or do
I have run out of words to say
All I've got left is: Stay
With me

(Stay)

I lied my best but I was only being me
I may be blind, but baby some things I still see
You don't know what you got until you've lost it all

So just grab a seat and watch the casanova fall
Fall
Fall

Another night away from you
I don't know what to think or do
I have run out of words to say
All I've got left is: Stay

Another night away from you
I don't know what to think or do
I have run out of words to say
All I've got left is: Stay

I'm a liar, I'm a liar, I'm a liar, liar, liar
I'm a liar, I'm a liar

Another night away from you
I don't know what to think or do
I have run out of words to say
All I've got left is: Stay

Another night away from you
I don't know what to think or do
I have run out of words to say
All I've got left is: Stay

Another night away from you
I don't know what to think or do
I have run out of words to say
All I've got left is: Stay
With me
