Time is never on my side
The hours slip and slide
Away to days astray...
Please someone, pull the brakes on me!

No, life ain't nothing but a ride
My hours slip and slide
Away to days astray...
But hey, I think I like it that

Smile is always right on place
It covers up my face in ways
The rainy days can never ever
Get their way round

Place your body next to mine
Thing's will be just fine
We never cross the line
Where matters really start to matter

I'm somewhere in between as it seems
I dream, I dream my days away
Days astray...

Days astray...

Sometimes I'm all I want to be

Time is never on my side
The hours slip and slide
Away to days astray...
Please someone, pull the brakes on me!

No, life ain't nothing but a ride
My hours slip and slide
Away to days astray...
But hey, I think I like it that
Days astray...

I'm somewhere in between as it seems
I dream, I dream my days away

Days astray...

I'm somewhere in between as it seems
I dream, I dream my days away
Days astray...
Days astray...

I'm somewhere
I'm somewhere (in between)
Somewhere
I'm somewhere (in between)
Days astray...
Somewhere
I'm somewhere (in between)
Somewhere
I'm somewhere (in between)
Days astray...
Somewhere
I'm somewhere (in between)
Somewhere
I'm somewhere (in between)
Days astray...
Somewhere
I'm somewhere (in between)
Somewhere
Somewhere
Somewhere
