You are the most
Beautiful girl I've ever seen
When I think back on my teens
I wonder where you could have been
All of the time
(All of the time)
All of the time
(All of the time)

Skin touching ice as I drown in your eyes
Asking my pipe for some brilliant advice
Follow the dice
(Follow the dice)
Follow the dice
(Follow the dice)

- One -
Just let go
- Two -
Let love flow
- Three -
Just wait and see
- Four -
Go to the core
- Five -
It's for life
- Six -
Re-roll the dice again

Six back to base
Through the comforting haze
Mind has it's own most mysterious ways
One of these days
(One of these days)
One of these days...
(One of these days)

- One -
Just let go
- Two -
Let love flow

- Three -
Just wait and see
- Four -
Go to the core
- Five -
It's for life
- Six -
Re-roll the dice again
