It must be quite hard to see
What's moving inside me
Smiling, saying all the things
I know you want to hear

Coming home. Being good [x3]

Understanding nothing's understood

I feel so alone when I'm with you
I can't believe that we are two
What to do when you know
Your hearts are parting? [x2]

Something must be wrong with me
'Cause I just cannot be
Happy though the life I've asked for
Is spreading out for me

Coming home. Being good [x3]

Understanding nothing's understood

I feel so alone when I'm with you
I can't believe that we are two
What to do when you know
Your hearts are parting? [x2]

I feel so alone when I'm with you
I can't believe that we are two
What to do when you know
Your hearts are parting?

I feel so alone when I'm with you
I can't believe that we are two
What to do when you know
Your heart is leaving home

Leaving home. Being bad [x2]
Coming home. Being good

Understanding nothing's understood

I feel so alone when I'm with you
I can't believe that we are two
What to do when you know
Your hearts are parting?
[x2]

Your hearts are parting?

(Heart apart)
(When I'm with you)
(Heart apart)
(When you know)

(Heart apart)
(When I'm with you)
(We're two hearts apart)
(What to do when you know)

Your hearts are parting? [x2]
