Tomorrow
I won't be here
Gone away
Another place to be

Trust me know
It is right
Right somehow
It is growing there,
I can feel it
Deep inside of me
Tomorrow
I won't be here

I...
I can't fake myself
I...
I can't control myself
I...
I can't help myself

I...
I can't fake myself
I...
I can't deny myself
I...
I can't help myself

Old sorrow
All fear, my dear
Gone away
Another place to be
'Cause inside of you
I saw love
Like no love ever was
And now it's growing there,
I can feel it flowing
Inside of us
Inside of us

I...

I can't fake myself
I...
I can't control myself
I...
I can't help myself

I...
I can't fake myself
I...
I can't deny myself
I...
I can't help myself

(I... can't fake myself)
(I... can't control myself)
(I...)
(I can't help myself)

(I... can't fake myself)
(I... can't deny myself)
(I...)
(I can't help myself)

I...
I can't fake myself
I...
I can't control myself
I...
I can't help myself

I...
I can't fake myself
I...
I can't deny myself
I...
I can't help myself

I...
I can't fake myself
I...
I can't control myself
I...
I can't help myself

I can't fake myself
I can't deny myself
I can't help myself

(I... can't fake myself)
(I... can't control myself)
(I...)

(I can't help myself)

(I... can't fake myself)

(I... can't deny myself)

(I...)

(I can't help myself)

(I... can't fake myself)

(I... can't control myself)

(I...)

(I can't help myself)
