There's an accident just waiting to happen
It's like my own heart has got a brand new captain
Letting go of all the things I know
With both eyes closed to the unknown

There's a big black hole just waiting to open
One night of free hearts has to be broken
Letting go of all the things I know
With both eyes closed to the unknown

I could say I'm sorry, but I'm not
Whatever I promised I forgot
There's a riot inside me breaking out
Building up, crashing down

Ah ah, ah ah
Ah ah, ah ah
Ah ah, ah ah
Ah ah

The grass is growing greener for my desk side
Is this the real tsunami or a weak tide?
Letting go of all the things I know
With both eyes closed to the unknown

I could say I'm sorry, but I'm not
Whatever I promised I forgot
There's a riot inside me breaking out
Building up, building up

I could say I'm sorry, but I'm not
Whatever I promised I forgot
There's a riot inside me breaking out
Building up, crashing down
Building up, crashing down

Ah ah, ah ah
Ah ah, ah ah
Ah ah, ah ah
Ah ah

I could say I'm sorry, but I'm not
Whatever I promised I forgot
There's a riot inside me breaking out
Building up, building up

I could say I'm sorry, but I'm not
Whatever I promised I forgot
There's a riot inside me breaking out
Building up, crashing down

Ah ah, ah ah
Ah ah, ah ah
Ah ah, ah ah
Ah ah, ah ah
