I say it's now or never
You say way too late
The love we once shared
Turned to tears and bitter hate
My chords were lost
In the beginning of our song:

'Cause you are right and I am wrong
Love is weak but pride is strong!

So here I go again
A new love song with a sad refrain
It all ends up the same
'Cause I was born on fucked up Lovers Lane

Stop talking on who's to blame
When all that counts is change
Well quit making my life
a dark obituary of our life
Find your place in the line of
'could have been my wife's!

'Cause you were right and I'm wrong
Love is weak but pride is strong!

So here I go again
A new love song with a sad refrain
I know it's time to change
But I was born on fucked up Lovers Lane
I go again
A new love song with a sad refrain
I know it's time to change
But I was born on fucked up Lovers Lane

You wanted love
I gave it all
Now you want war
I give you more
I'm sure
The battle will be well remembered

(Here I go again)
(Here I go again)
(Here I go again)

Here I go again
A new love song with a sad refrain
I know it's time to change
But I was born on fucked up Lovers Lane
I go again
A new love song with a sad refrain
I know it's time to change
But I was born on fucked up Lovers Lane

(Here I go again)
