They love you in September
And they hate you by November
Fashion lover. Music fascist
Cop inside your head

Freedom is impossible
As long as we hang on
To the thin words
Of the fat men
That's the cop
Inside your head

One, one, one, one
Two, two, two, two
Three, three, three, three
Testing...
T-shirt slogans
Are as close
As we get
To revolution
(Revolution)
(Revolution)
(Revolution)
(Revolution)
(Revolution)
(Revolution)
(Revolution)
(Revolution)
(Revolution)

Let some love reach out
To the soma generation
Let some love reach out
To the soma generation
(Let some love)
Let some love reach out
To the soma generation
Let some love reach out
To the soma generation

Wide eyes shut, ears open to
The TV revelations

Way off track, yet safe in place
Cop inside your head

Now you're doing what they told you
You give your right to choose away
Third eye shutter
Rule book lover
Cop inside your head

One, one, one, one
Two, two, two, two
Three, three, three, three
Testing...
T-shirt slogans
Are as close
As we get
To revolution

Let some love reach out
To the soma generation
Let some love reach out
To the soma generation
(Generation)
(Generation)
(Generation)
(Soma generation)
(Generation)
(Generation)
(Generation)
(Soma generation)

Let some love reach out
To the dotcom generation
Let som love fall on
To the sitcom generation

Let some love reach out
To the soma generation
Let some love reach out
To the soma generation
Let the walls cave in
On the head-bound police station
Let some love reach out
To the soma generation
Let some love reach out
