Tastes so good. Can't give it up
Taste for flesh means they're out of luck
Screams fall silent long before their flesh
Touches your tongue

Tastes so good. Can't let it go
Virgin blood for the vampire in you
Prayers give thanks
No tears shed for the lives served
On our plates

Slice it up and dig in
Let the funeral begin
From the cage to the plate
Their blood on your hands
Wave goodbye to a soul
Leaving hell for the unknown
From the cage to the plate
Their blood on your hands

Vampire in you

Serve it up. There's no complaints
Animal lovers detached from their pain
Big bucks from the carnage and
Traditions to uphold!

Tastes so good. Can't let it go
Virgin blood for the vampire in you
Screams fall silent long before their flesh
Touches your tongue

Slice it up and dig in
Let the funeral begin
From the cage to the plate
Their blood on your hands
Wave goodbye to a soul
Leaving hell for the unknown
From the cage to the plate
Their blood on your hands

Vampire in you [x2]

Slice it up and dig in
Let the funeral begin
From the cage to the plate
Their blood on your hands
Wave goodbye to a soul
Leaving hell for the unknown
From the cage to the plate
Their blood on your hands

Vampire in you [x5]
