Dance floor temples of sadness
Grooving through quagmire madness
Soaring through sweet pink rain
Sat in the backseat of my brain
In the back of my brain
In the back of my brain

Dirty honey rosey peachy
peachy honey rosey dirty

Backroom boudoir kissing faces
On warm leatherette my heart races
(Dirty honey rosey peachy)
So warm with white nightclub rain
Sat in the backseat of my brain
In the back of my brain
In the back of my brain

Sat in the backseat of my brain
Sat in the backseat of my brain
Sat in the backseat of my brain
Sat in the backseat of my

Higher
Higher
Higher
Higher

Sat in the backseat of my brain
Sat in the backseat of my brain
Sat in the backseat of my brain
Sat in the backseat of my
