See that star upon your skin
Darkness etched your history
Tell me what goes on within
And wrap your arms around me

(I fear love)
I fear
(I fear your loved)

Waiting for the time at last
Waiting for a feeling
It's so hard to surpass
But I cant stop believing

(I feel loved)
I feel
(I feel loved)
I feel

Waiting for the time to pass
Waiting for a feeling
It's so hard to surpass
But i can't stop believing

(I fear love)
I fear
(I fear your love)
I fear

Biting down breathing in
I can't lose this feeling

I fear love
I fear love
(I fear love)

See that star upon your skin
Darkness etched your history
Tell me what goes on within
And wrap your arms around me

(I feel loved)
See that star upon your skin
(I feel loved)
Darkness etched your history

Your love
I fear
I fear
I fear
I fear
Your love
I fear
I fear
I fear
Your love

Your love
