A thousand faces without names
Unknown souls all look the same
A thousand people pass me by
In this city of dreams my soul
Dies

There's no goodbye
No goodbye

There's no drama, no deep sighs
There's no courtesy
Not even a goodbye

No goodbye
There's no goodbye

There's no solace in this subway car
No soft words to speak
The city's souless hush

(Musical interlude)

A thousand faces without names
infinite like rain
A thousand people pass me by
Like rain they wash away
There's no drama no deep sighs
There's no courtesy
Not even a goodbye
No goodbye
No goodbye
No goodbye

No goodbye
