Close my eyes
And I wont open them
Taste my cherry lips
And poison them
Feel the rush
Of my young heart
Hold it softly
As you tear it apart

(You're my deepest
You're my first cut)
As you tear it apart
(You're my deepest
You're my first cut)
As you
As you
Tear it apart

Place your hands
Around my slender neck
Hold it tightly
And steal my breathe

(You're my deepest
You're my first cut)
As you tear me apart
(You're my deepest
You're my first cut)
As you
As you
Tear me apart

Take my arms
So svelt and thin
Into your bonds
And break them

(You're my deepest
You're my first cut)
As you tear me apart
(You're my deepest)

As you tear me apart
As you
(You're my deepest)
As you tear me
As you tear me
As you tear me apart
(You're my deepest)
Ooh as you tear me apart
And you
And you break my heart
(You're my deepest)
Break my heart
As you tear me
As you tear me
As you tear me apart
As you tear me apart
(You're my deepest)
As you tear me apart
Ooh you tear me, apart
Tear me, apart
As you
As you

As you
As you
