Tryin' to run to da doc

But aint no fuckin' healin'

For you and yo bitch Spin

It aint no fuckin' livin'

Had yo heart start

I got cho ass runnin' from dem red dots

And I can't be stopped

Only hold to obtain this

Stick the mic up your anus

(Aslo)

Bitch don't blame us

We fire jus like a torch

We'll do a drive-by

Leave ya brains right on ya porch

ATF don't know hotness

When we boil we scorch

I gotta 10 by 2 blade

That'll cut ya life short

I'm sick of talkin' to you niggas

But now I'm after ya

I'ma be laughin' and stashin'

Why I'm jackin' ya
