Song : Promises

Album : Unknown ~Full Length~ August 2005

and i saw you lying again
to the pieces of my rend
the love thats in your eyes
is falling again

and i'll be alright
your promises are done

and i saw you lying down
drew upon this like a gun
feeling like, just like downed
pieces of my rend

and i'll be alright
the love thats in your eyes
the pieces of a broken fate
have fallen again

and i'll be alright
your promises are done

and i saw you lying down
drew upon this like a gun
feeling like, just like downed
pieces of my rend

And I hate, you hate
when I, cut this for you
and why hate to hate
just to beat me

and i saw you lying down
drew upon this like a gun
feeling like, just like downed
pieces of my

why wont you believe
