[Originally by Poison]

We both lie silently still in the dead of the night
Although we both lie close together
We feel miles apart inside
Was it somethin' I said or somethin' I did
Did my words not come out right
Tho' I tried not to hurt you
Tho' I tried
But I guess that's why they say

Every rose has its thorn
Just like every night has its dawn
Just like every cowboy sings a sad, sad song
Every rose has its thorn

Yea it does

I listen to your favorite song playin' on the radio
Hear the DJ say love's a game of
Easy come and easy go
But I wonder does he know
Has it ever felt like this
And I know that you'd be here right now
If I could have let you know somehow I guess

Every rose has its thorn
Just like every night has its dawn
Just like every cowboy sings a sad, sad song
Every rose has its thorn

Though it's been a while now
I can still feel so much pain
Like the knife that cuts you
The wound heals, but the scar, that scar remains

Every rose has its thorn
Just like every night has its dawn
Just like every cowboy sings a sad, sad song
Every rose has its thorn

So I hear you've found somebody new
And that I never meant that much to you
To hear that tears me up inside
And to see you cuts me like a knife, I guess

Every rose has its thorn
Just like every night has its dawn
Just like every cowboy sings a sad, sad song
Every rose has its thorn
