Well all my life this music saved me
I can't afford your therapy
My frustration it needs release,
Cut me open and hear me bleed
Playing punk it keeps me sane
I don't need drugs to numb the pain
It keeps me alive, I hope it helps you
I won't let your worthless America ruin me

NO WAY!

I'm screaming out, somebody listen,
It feels so good
This therapy
I'm screaming out, somebody listen,
It feels so good
This therapy

I lost control and hurt myself
I knew deep down I needed some help
The self-abuse would not stop,
No matter how hard I tried
So I lied and I tried
And I pulled my life together
Am I going insane?
Think again
I got so fed up with being unstable

NO MORE

I'm screaming out
Somebody listen,
It feels so good,
This therapy! [x8]
