Don't you wanna be someone today Don't you wanna see you just like me Get up get up just feel free Come on baby let's climb a tree

Ta'ali ma'aja shwaja shwaja Inti habibti inti inaje Hubik amani ib'kul ahlami Inti'f bali lil win har

Everybody wanna do Everybody wanna be As for you, as for me Everybody wants our tree Everybody wanna do Everybody wanna be One for you, one for me Everybody needs a tree

Don't you wanna be someone today Don't you wanna be in the highest tree Don't you wanna be there next to me Uh baby uh baby tell me so

Ta'ali ja ruhi ib'kul ahlami Inti farhi we inti hajami Hubik amani ib'kul ajami Albi ma'aki lil win har

Everybody wanna do Everybody wanna be As for you, as for me Everybody wants our tree Everybody wanna do Everybody wanna be One for you, one for me Everybody needs a tree

Yo...

Now you ain't never seen nothing as ugly as greed And to something as ugly now what could be the seed. It happens when you start wantin' what you don't need. Slowly you can hear that voice that takes over your choice. Don't get it twisted you can't see it cuz it's faceless. Comin' through sneakin' when you're tempted and you're helpless. So when you've done burned your bridges, sold your soul for riches, You gon' be wonderin' why the hell you even did this...

Nais mobang mahalin kita Nais mobang magin sino man ngayon Nais mobang mapalapit sa akin Oh giliw oh Sabihin mo lang
