She's numbed me to myself again
I may never be coming down
She's a witch
I should have known

It's just a little midnight voodoo
Pinned down and candle light
Incense hits me
She wets my appetite
I give into the desire
Because the pain will fade
It's way to real tonight

Yeah she's numbed me to myself again
I may never be coming down
She's a witch
I should have known

Just a little midnight voodoo
I don't believe her power over me
She seems to move through the shadows
And take control of me
She seduces all my senses
She's a witch I can't let go

Numbed to myself again
Will I ever be coming down
She's nothing but a witch
I can't let go

Just a little midnight voodoo
Libations of sweat roll off and drip
Every moment of ecstasy
Crippled by her icy kiss
She's a witch she's a curse
Her sting is deep
There's no remorse
Dancing flames
And creeping shadows
A needle point to fill the hollow
Pin me to your will

So that I'll never want to let go
Midnight voodoo
She always has control

Midnight voodoo
Erotic ritual
Midnight Voodoo
A touch so sensual
Midnight---Voodoo
She's a witch I can't let go
