Beds of roses  
It's not anymore  
Some will do, some die  
This is her alibi

Went to see him  
Breathe free the other night  
Never went inside your door  
Think I was home by four

You never trust in me  
Like I trust in you  
You check my alibi  
You'll see it's true

People talking  
They say they heard it all  
Never went inside the door  
Except for on the floor

While you're sleeping  
And I'm wide awake  
Thinking back, your alibi  
Sounds like it's not a lie

You never trust in me  
Like I trust in you  
You check my alibi  
You'll see it's true  
You never trust in me  
Like I trust in you  
You check my alibi  
Oh oh

Check it out  
Check it out  
Check it out  
Check it out

You never trust in me  
Like I trust in you

You check my alibi  
You'll see it's true  
You never trust in me  
Like I trust in you  
You check my alibi  
Oh oh
