There comes a time, when we heed a certain call
When the world must come together as one
There are people dying
And it's time to lend a hand to life
The greatest gift of all

We can't go on pretending day by day
That someone, somewhere will soon make a change
We are all a part of God's great big family
And the truth you know and
Love is all we need

chorus:

We are the world, we are the children
We are the ones who make a brighter day
So let's start giving
There's a choice we're making
We're saving our own lives
It's true, we'll make a better day, just you and me

Send them your heart so they know that someone cares
And their lives will be stronger and free
As God has shown us by turning stone to bread
And so we all must lend a helping hand

-chorus repeat

When you're down and out, there seems no hope at all
But if you just believe there's no way we can fall
Let us realize that a change can only come
When we stand together as one

Chorus repeat x2

It's True we make better days just you and me
