Oh, if the stars above were mine
I'd give them all to you
'Cos only you, you make them shine
Just like I want them to

So take my broken wings
And make me fly again
And give me air to breathe
Oh, you are oxygen

And we only blood and bones
Fragile, falling and beautiful
So beautiful
So beautiful

Oh, if the stars above were mine
I'd give them all to you
'Cos only you, you make them shine
Just like I want them to

So take my broken wings
And make me fly again
And give me air to breathe
Oh, you are oxygen

And we only blood and bones
Fragile, falling and beautiful
So beautiful
So beautiful
So beautiful
So beautiful
