Hey you!
Yeah you!
Is it true?
Were your best days in school?
When you had no responsibility?

Now it's time to step up,
Time to step up at bat
Yet you fear that you lack the ability

I'm slowin down my words for you
These past few songs I've spoke far too loosely
Slowin' down my mouth for you
I promise I'll deliver smoothly

Don't you worry
I'm sure they'll love you
Don't get scared now
And they'll love you.
Just be honest
Flash a smile!
Show some leg dear!
Show some spine!

Stop!
Why wont you let it go?
It hurts to see you so!
Assuming that you know,
Assuming that you know
That youve been giving us false hope baby,
So stop assuming that I dont.

So it's true!
Your best days were in school,
Where you had no accountability.

Now it's time to step up
Time to step up at bat
Yet you fear that you lack the resiliency

Don't you worry

I'm sure they'll love you
Don't get scared now
And they'll love you.
Just be honest
Flash a smile!
Show some leg dear!
Show some spine!

Stop!
Why wont you let it go?
It hurts to see you so!
Assuming that you know,
Assuming that you know
That youve been giving us false hope baby,
So stop assuming that I dont.

Stop!
Why wont you let it go?
It hurts to see you so!
Assuming that you know,
Assuming that you know
That youve been giving us false hope baby,
So stop assuming that I dont.

So I let it go
Let it all dissolve around me
This picture perfect world we painted
(4x)

Stop!
Why wont you let it go?
It hurts to see you so!
Assuming that you know,
Assuming that you know
That youve been giving us false hope baby,
So stop assuming that I dont.
