I, I am that someone who doesn't care  
I, I am that someone with dirty hair  
slaving like a dog without the treats and dirty bones  
I, I am that someone who doesn't care

Now the weekend's here, I'm the one to make history  
we go 1,2,3 BOOM  
I make my way with the bottle, I'm your destiny  
We go 1,2,3 BOOM  
Bring it on the night is young  
Friday, Saturday I'm the one I want to be  
1,2,3 BOOM

You, you are that someone who seem to care  
You, you are that someone looking scared.  
I know about the fact, you're into music like take that.  
You, you are that someone who seem to care.

Now the weekend's here, I'm the one to make history  
we go 1,2,3 BOOM  
I make my way with the bottle, I'm your destiny  
We go 1,2,3 BOOM  
Bring it on the night is young  
Friday, Saturday I'm the one I want to be  
1,2,3 BOOM

Let me be myself I don't need no one  
to tell me what to do. I don't need to run.

Now the weekend's here, I'm the one to make history  
we go 1,2,3 BOOM  
I make my way with the bottle, I'm your destiny  
We go 1,2,3 BOOM  
Bring it on the night is young  
Friday, Saturday I'm the one I want to be  
1,2,3 BOOM
