I knew it, I knew it, I was right from the beginning
Can see it when you're dancing, can hear it when
you're singing
Sense it when you're dreaming, can feel it when we
kiss
I don't need more than this

There's no place on earth people don't get hurt
Not that I have heard of, baby
Hate me, break me, tear me apart
I'll take care of your heart

Daisy, ox-eye Daisy, you amaze me
Luck comes easy from above
Everything is a-ok
It doesn't hurt to fall in love

No, it's not awkward at all
I'll do it again, I've done it before
I'm dress to impress, I'm trying my best
To be the one you all adore

I'm dating the queen, they call me the king
On top of the world of everything
However, you're a failure, your life's a bitch
When the person you're calling can not be reached

Daisy, ox-eye Daisy, you amaze me
Luck comes easy from above
Everything is a-ok
It doesn't hurt to fall in,

Daisy, ox-eye Daisy, you amaze me
Luck comes easy from above
Everything is a-ok
It doesn't hurt to fall in love

I knew it, I knew it
I was right from the beginning
Can see it when you're dancing
Can hear it when you're singing

Daisy, ox-eye Daisy, you amaze me
Luck comes easy from above
Everything is a-ok
It doesn't hurt to fall in,

Daisy, ox-eye Daisy, you amaze me
Luck comes easy from above
Everything is a-ok
It doesn't hurt to fall in love
