Verse 1:

If I opened up my heart  
and revealed all that I am,  
could You really love me unconditionally?

And if I gave You all my trust,  
even though my world's been crushed,  
would You really love me,  
would You really love me?

I'm so afraid, I'm so unsure,  
I don't want to (hurt anymore),  
but still I know that...

Chorus:

I need You, I need You,  
I need You, I need You.

I can't make it without You,  
I need You, I need You.

And if I gave it all away today,  
would You promise  
not to turn away (from me)?

Verse 2:

As I stand before You now,  
just a face in the crowd,  
can You really hear me,  
do You really see me  
(do You really see me)?

I don't know what to do,  
but if I give my life to You,  
could You ever use me,  
please never refuse me.

'Cause I'm so afraid, (I'm so afraid),  
I'm so unsure, (I'm so unsure),  
I don't want to hurt anymore,  
(but still I know) that...

Chorus 2:  
I need You, I need You,  
I need You, I need You.

I can't make it without You,  
I need You, I need You.

I need You, I need You,  
I need You, I need You.

I can't make it without You,  
I need You, I need You.

And if I gave it all away today,  
would You promise  
not to turn away?

And if I gave it all away today,  
would You promise  
not to turn away (from me)?

Vamp:  
Jesus, I'm calling You,  
You know me through and through,  
come take this heart of mine,  
Lord, take this pain away.
