You gotta dig  
Your body and your head down in the snow

You gotta tie  
Your scarf around a pole to let them know

And I gotta take  
Your arms around my waist  
And you take mine

We gotta move  
Our fingers and our toes  
And we'll be fine

You're just a poor litte cityboy  
You don't know what you're missing  
I say  
Welcome to the mountain

And you're just a skinny little citygirl  
You don't even know who you're kissing  
An' I say  
Welcome to the mountain

Hang on,,hang on  
You better put some wool on  
We'll see the pinetree tops from high above

A'come on  
Off to the mountains  
And if we're lucky we'll come back alive

I gotta take  
Your arms around my waist  
And you take mine

We gotta move  
Our fingers and our toes  
And we'll be fine

You're just a poor litte cityboy

You don't know what you're missing  
I say  
Welcome to the mountain

And you're just a skinny little citygirl  
You don't even know who you're kissing  
An' I say  
Welcome to the mountain

An' if you wanna get high  
Close to the sky  
Welcome to the mountain

An' if you wanna get high  
Close to the sky  
Welcome to the mountain
