Ooh ooh hey
Hey bay i remember i had your heart in my hands
Slipped up and let you go because you said that i was
moving too slow
Moving too slow
Thought that you would be there and got the shock of
my life
Walking way say that you couldn't stay sayin that you
had enough for this life
The love of my life was gone

Chorus:
You gave me one chance
I messed up my one chance
And now i can't get it back
'cause i didn't care now you're gone and i lost my last
chance
You gave me one chance
I messed up my one chance
And now i can't get it back
'cause i wasn't there when you're gone and i lost ym
last chance

Hate to admit but it's making me sick
Things that i did to your damn girl
Know i was wrong, so wrong
I know i was wrong
And now you ain't coming back
Could i be so, now I'm just so long
And make no excuse 'cause it's all the truth
Now i'm just missing you

[Chorus:]

Give me just one chance
'cause i just think one chance
I know what i ..
Baby i get it no wanna .. one more chance

[Chorus:]
