He's got everything that you want
Apparently my love and trust just wasn't enough
I'm not answering my phone
I don't care what you have to say

This time is over now
I caught you cheating again
You can cry all you want this time
But you can not have me back again

And all of the time we talked and said
It happened once, it happened twice, but never again
I'm not answering my phone
I don't care what you have to say

This time is over now
I caught you cheating again
You can cry all you want this time
But you can not have me back again

And I've seen it all before
And I've seen it all before
And I've seen it all before
And I've seen it all, seen it all before
Yeah, yeah, yeah, yeah, yeah
